

INTERNSHIP

We are a fashion studio founded in Berlin in 2013. With our small and diverse team we develop our collections under the label D E E P T I. We specialise in menswear, creating a total look including tailoring, outerwear, leather, denim, jewelry as well as footwear. In our work great emphasis is placed on high quality, individuality, the development of new materials and techniques as well as respect for traditional methods. Our garments are produced in specialised factories in Italy. Our clients are selected stores and end clients in Europe and worldwide.

We are looking for a placement student who will gain work experience full-time beginning September 2024 for a duration of 6 months. The role is compensated with €500/month.

You study fashion design, textile design or production science and are required to complete an internship as part of your studies. You are professional, precise, punctual and have a desire to learn.

Your tasks will include organisation, preparation and cutting of materials, hand sewing, assistance with patterns, dying, tagging and packing of garments and the visual and written documentation of work processes.

If this role matches your interests and profile please send your application to Marc Lallemand at the following address: mal@deepti.de - We look forward to hearing from you!

PRAKTIKUMSTELLE

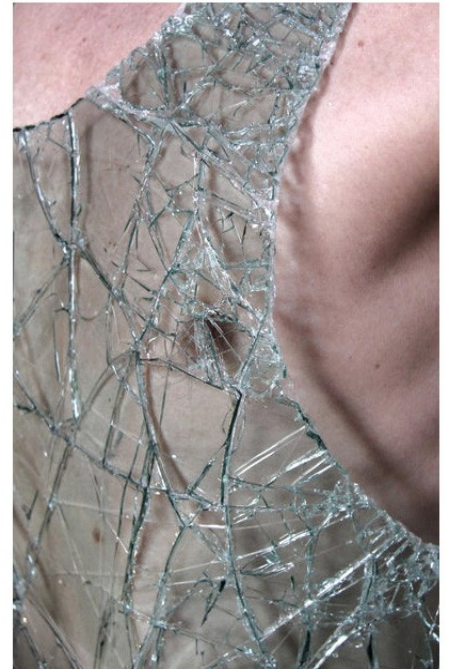

Wir sind ein im Jahr 2013 in Berlin gegründetes Modestudio - mit unserem kleinen, internationalen Team erstellen wir unsere Kollektionen mit Namen D E E P T I. Wir spezialisieren uns auf Herrenmode und kreieren eine Total-Look Kollektion, welche Tailoring, Outerwear, Leder, Denim, Silberschmuck wie auch Schuhe umfasst. Dabei legen wir sehr großen Wert auf Qualität und Individualität. Unsere Produktion wird in spezialisierten Fabriken in Italien realisiert. Unsere Kunden sind ausgewählte Modegeschäfte und Endkunden in Europa und in aller Welt.

Wir suchen eine/n Praktikant/in ab September 2024 für eine Dauer von 6 Monaten Vollzeit. Das Praktikum wird mit €500/Monat vergütet.

Sie studieren Mode-/Textildesign oder Bekleidungstechnik und müssen im Rahmen Ihres Studiums ein Pflichtpraktikum absolvieren. Sie sind professionell, präzise, pünktlich und lernbegierig.

Ihre Aufgaben beinhalten allgemeine Studiohilfe u.a. Materialverarbeitung, Färben, Handnähen, Assistenz in Schnitt und Produktion, visuelle und graphische Prozess-Dokumentation.

Wenn diese Position Ihren Interessen entspricht, senden Sie bitte Ihre Bewerbung an Marc Lallemand unter mal@deepti.de - Wir freuen uns auf Resonanz!
